www.future-talent.com National apprenticeships, covers the following examples:

<http://www.thebigchoice.com/> Jobs and training for A level students and other students

<http://www.allaboutschoollavers.co.uk/jobs> higher level national apprenticeships

<http://www.sscalliance.org/> links to all sector skills councils responsible for skills development in different job related areas e.g. care and development, financial etc. Useful to find links to providers for lesser known employment areas. Some, such as Skillset have lots of up- to date careers information and face book links for new opportunities.
