- Fully qualified Kingswood activity instructors lead all activities
- Students are encouraged and praised during activities but are NEVER forced to take part if they are not comfortable doing so

While other groups will also be present on centre during our stay, all programmes and activities are conducted separately, unless otherwise stated.

# Behaviour

- Students represent Henley in Arden and therefore are expected to behave as they would in school. Rules and sanctions do apply for those who misbehave and do not follow our instructions.
- Unfortunately if issues were to arise we would be asking parents/guardians to come and collect students. Failing that we would send the child home and parents would be charged for the costs.
- Students are not to go into each others rooms. This is for safety reasons e.g. in a fire we know where all students are.
- There are no mobile phones to be taken on this trip.
